The Connecticut Water Company's Rules and Regulations, as approved by the State of Connecticut Department of Public Utility Control, state that seasonal service is provided no earlier than April 1 to no later than November 30 of the same year.

The undersigned does hereby request that service to the address indicated below be extended to December 31.

The undersigned agrees to protect, indemnify and save harmless CWC, its officers, agents, servants and employees from and against any and all claims, demands, suits, proceedings, liabilities, judgments, penalties, losses, damages, costs and expenses, including attorneys' fees, arising from the time extension of service. The undersigned also agrees that he/she shall be responsible for any and all damages to pipes, meters (including the replacement thereof), piping appurtenances, property and the water used as a result thereof.

Approval for extension of service in no way supersedes the Town's authority to prohibit occupation of the subject premise beyond the date delineated as the end of the season.

Extension of seasonal service shall also be subject to the approval of The Connecticut Water Company. Request for extension of service must be received prior to November 1 of the subject year in order to be considered for approval. Said approval shall be required each year that the extension is requested.
